EDUCATION

Integrated Master of Computer Applications
SCMS COCHIN
2019 - 2024

Higher Secondry
St. Teresas HSS
2017 - 2019

HIgh School
St. Teresas HSS
2017

LANGUAGES

- English (Fluent)
- Malayalam (Native)
- Hindi (Intermediate)

HOBBIES

- Swimming
- Travelling
- Piano

PROFESSIONAL SUMMARY

Highly motivated Full Stack Developer with strong foundation in modern web technologies and enterprise systems. Completed a 6-month internship focused on .NET application migration, gaining real-world exposure to scalable backend systems and clean architecture practices. Passionate about solving real-world problems through technology, and ready to contribute meaningfully to high-impact software projects.

WORK EXPERIENCE

Software Developer Intern   APRIL 2024– SEPTEMBER 2024
ULTS

- Worked on .NET-based application development and legacy system migration.
- Assisted in migrating existing applications from older frameworks to updated .NET architectures.
- Contributed to team discussions, and managed version control using Git.
- Collaborated with team members on backend API development.

PROJECTS

SwiftNest(LIVE)   Node.js, Express, MongoDB

- Built a full-stack campsite exploration platform.
- Integrated OpenCage API for geocoding location-based data.
- Integrated dynamic routing, API routes. Integrated backend APIs with Node.js/Express, ensuring JWT-based authentication and role-based access control.

Online Designer Studio(Enterprise Application)   MERN

- Designed and deployed a full-stack MERN application to digitize a 25+ year-old family business into an online designer studio.
- Deployed and maintained the application on Render with environment-specific configurations.
- Resulted in a 25% increase in order volume and fully digitized day-to-day operations within 4 months of launch.

SKILLS

Languages : Java, JavaScript, SQL, HTML, CSS, .NET

Frameworks : SpringBoot, ReactJS, Node.js, Bootstrap, Express

Tools : Git, Postman, IntelliJ IDEA, Visual Studio Code, Shopify

Soft Skills : Team player, Problem-solving, Adaptability
